Dear Sir:

Please consider the following claim amendments before examining the above-referenced application.

Please amend the application as follows.

IN THE CLAIMS

Please cancel elected claims 67-80 and add new claims 95-127 as follows.

a' 95. A method for inhibiting selectin-mediated intercellular adhesion in a mammal, the method comprising administering to the mammal a therapeutically effective dose of a pharmaceutical composition comprising a pharmaceutically acceptable carrier and a carbohydrate compound which selectively binds a selectin receptor.
